Sex and Relationships Policy

Updated:

Summer 2024

To be reviewed:

Summer 2026

Aims

The aims of relationships and sex education (RSE) at our school are to:

- Provide a framework in which sensitive discussions can take place
- Prepare pupils for puberty, and give them an understanding of sexual development and the importance of health and hygiene
- Help pupils develop feelings of self-respect, confidence and empathy
- Create a positive culture around issues of sexuality and relationships
- Teach pupils the correct vocabulary to describe themselves and their bodies

Statutory requirements

As a maintained primary school we must provide relationships education to all pupils as per section 34 of the Children and Social work act 2017.

However, we are not required to provide sex education but we do need to teach the elements of sex education contained in the science curriculum.

In teaching RSE, we must have regard to guidance issued by the secretary of state as outlined in section 403 of the Education Act 1996.

In addition, the delivery of RSE must have regard to the political impartiality in schools guidance issued by the secretary of state in February 2022.

During the planning of RSE, we will regard the impact on groups with 'relevant protected characteristics' in accordance with section 149 of the Equality Act 2010.

At Grange Primary School, we teach RSE as set out in this policy.

Policy development

This policy has been developed in consultation with staff, pupils and parents. The consultation and policy development process involved the following steps:

1. Review – a member of staff or working group pulled together all relevant information including relevant national and local guidance
2. Staff consultation – all school staff were given the opportunity to look at the policy and make recommendations
3. Parent/stakeholder consultation – parents and any interested parties were invited to attend a meeting about the policy
4. Pupil consultation – we investigated what exactly pupils want from their RSE
5. Ratification – once amendments were made, the policy was shared with governors and ratified

Definition

- RSE is about the emotional, social and cultural development of pupils, and involves learning about relationships, sexual health, sexuality, healthy lifestyles, diversity and personal identity.
- RSE involves a combination of sharing information, and exploring issues and values.
- RSE is not about the promotion of sexual activity or sexual orientation.

Curriculum

Our curriculum is set out as per Appendix 1. We have developed the curriculum in consultation with parents, pupils and staff; taking into account the age, needs and feelings of pupils. If pupils ask questions outside the scope of this policy, teachers will respond in an appropriate manner so they are fully informed and don't seek answers online.

At Grange, our relationships education focuses on teaching the fundamental building blocks and characteristics of positive relationships including:

- Families and people who care for me
- Caring friendships
- Respectful relationships
- Online relationships
- Being safe

Grange Primary School's sex education curriculum will focus on:

- Preparing boys and girls for the changes that adolescence brings (puberty)
- Safety surrounding sexual intercourse (laws, consent, contraception and STDs)
- How a baby is conceived and born

Delivery of RSE

RSE is taught within the personal, social, health and economic (PSHE) education curriculum and biological aspects of RSE are taught within the science curriculum. Pupils in year 6 receive stand-alone sex education sessions.

The areas of learning within our RSE curriculum are taught within the context of family life, taking care to ensure that there is no stigmatisation of children based on their home circumstances (families can include single parent families, LGBT parents, families headed by grandparents, adoptive parents, foster parents/carers amongst other structures) along with reflecting sensitively that some children may have a different structure of support around them (for example: looked after children or young carers).

Safeguarding

Staff are aware that effective RSE, which brings an understanding of what is and what is not appropriate in a relationship, can lead to a disclosure of a child protection issue. Children will be given the opportunity to disclose the issue discreetly with their class teacher or a familiar adult.

Teachers will consult with the designated safeguarding lead and in his /her absence their deputy upon receiving any disclosure, in accordance with the schools' safeguarding policy.

Roles and responsibilities

The governing board

The governing board has delegated the approval of this policy to the Head Teacher.

The Head Teacher

The headteacher is responsible for ensuring that RSE is taught consistently across the school, and for managing requests to withdraw pupils from non-statutory components of RSE (see section 8).

Staff

Staff are responsible for:

- Delivering RSE in a sensitive way
- Modelling positive attitudes to RSE
- Monitoring progress
- Responding to the needs of individual pupils
- Responding appropriately to pupils whose parents wish them to be withdrawn from the non-statutory components of RSE
- Remaining politically impartial to laws and opinions that occur during the delivery or discussions in RSE lessons

All teachers have the responsibility of teaching RSE to their classes. They will receive RSE training from the PSHE leader and will be provided with a scheme of work to follow, which is approved by the headteacher. Staff do not have the right to opt out of teaching RSE. Staff who have concerns about teaching RSE are encouraged to discuss this with the headteacher.

Pupils

Pupils are expected to engage fully in RSE and, when discussing issues related to RSE, treat others with respect and sensitivity

Parents' right to withdraw

- Parents do not have the right to withdraw their children from relationships education.
- Parents have the right to withdraw their children from the non-statutory components of sex education within RSE.
- Requests for withdrawal should be put in writing using the form found in Appendix 3 of this policy and addressed to the headteacher.
- Alternative work will be given to pupils who are withdrawn from sex education.

Training

Staff are trained on the delivery of RSE as part of their induction and it is included in our continuing professional development calendar.

The headteacher will also invite visitors from outside the school, such as school nurses or sexual health professionals, to provide support and training to staff teaching RSE.

Monitoring arrangements

The delivery of RSE is monitored by the Head Teacher through:

- planning scrutinies;
- learning walks;
- book scrutinies; and
- discussion with pupils and parents.

Pupils' development in RSE is monitored by class teachers as part of our internal assessment systems.

This policy will be reviewed by the Head Teacher. At every review, the policy will be approved by the Head Teacher.
